"Excellent Work:

This is the second time I've engaged Nick for his voice over/voice acting services. We were looking for a trustworthy, confident tone of voice for a corporate radio ad and Nick nailed the brief each time. His prompt responses, eagerness to get the job right and quality of work make him an easy choice to work with."

Jeremy Grech - BRND WGN

"Very happy client. Thanks Nick!

Nick was great to work with. He recorded in his home studio to a tight deadline and delivered a solid, varied set of recordings for us to choose from. We were really happy with his work."
